

# Bude Primary Academy Rocket Race Reader Challenge

Name..... Class.....

All children at Bude Primary Academy are encouraged to read their school reading book at least **3 times** a week at home although ideally this would be 5 times each week.

Our Rocket Race Reader Challenge is designed to encourage our children to read as often as possible. As they move up through the planets in our Rocket Race they will receive a certificate and a reward which will be presented to them in front of the school on our Friday Celebration Assembly.

Every time your child reads, please record this in their Reading Record by writing the name of the book, dating and signing. Every Friday we will check their reading records and update this chart.
