

Reading Records

Rocket Race Reading Challenge

As every child at Bude Primary Academy Infants reads every day it is not practical for my teachers to write in my reading record. You will be kept up to date with my progress after each assessment which happens every six weeks. Please could you sign and date my reading record **every time I read** so that I can move up through the **Rocket Race Reading Challenge** (the information about this is on the other side of this sheet).

My teachers will check my reading record **every Friday** in order to update my **Rocket Race Reading Challenge sheet** **so if you have any questions or queries about my reading then please write it in my reading record and they will reply to you on a Friday.**

In the front of my reading record you will find my **Speed Sound Chart**. My **Read Write Inc** teacher will tick off each new sound that I have been taught so you are kept up to date with which ones I know.
